From the desk of the President:

It is a good time to be an Eldorado Cowboy.

Our ongoing efforts to attract shooters from further away are showing dividends as we are now attracting out of state shooters to our monthly shoots on a regular basis and the number of states represented at Eldorado swells every year. Our stages, steel placements, prize pools, banquet, shooters handbooks and organization are being talked about and our annual events are considered among the best shoots in the nation.

So where do we go from here?

The Board of Eldorado Cowboys is united in our ongoing goal to provide the greatest experience possible to our shooters. From our annual tradition of rolling out new and clever props (items like the dropdown door and the flip over card table are things that a lot of shooters have never seen before), to writing interesting stages and setting creative target arrays (two moving targets in the same stage is certainly uncommon).

Additionally we are attempting to expand on the number of quality item giveaways year after year (we gave away FIVE firearms this year). And after every annual, we critically examine every piece of the match to find places where we can smooth, polish and massage the event in order to provide a better experience to every shooter (not just shooting, but every component, from ease of sign up to RV parking to lunch to awards), and in doing so, we strive to improve upon what has been done well and discard what is not.

I look forward to speaking with all of you at our annual meeting.

GENERAL MEMBERSHIP MEETING

The By-Laws require that we hold an annual meeting for the general members. The 2013 Annual General Membership Meeting for the Eldorado Cowboys is scheduled for -

Friday, December 20, 2013
Blue Ox Tavern
5825 West Sahara Avenue
Suite A
Las Vegas, NV 89146.
6:00 PM until ??????
702.871.2536

This year there is no election, so it will be more or less a state of the union type of meeting. We will cover 2013 and discuss plans for 2014. Since it is so close to the holiday we can also call it a holiday get together meeting with the club members.

We will send a reminder email shortly before the meeting. Please mark your calendars with this meeting date.

INK CARTRIDGE RECYCLING IDEA

We have made the decision that we will purchase sufficient tablets to cover the Eldorado State Championship next year. We have an account with Staples that has an ink cartridge recycling component to it. We get credits of between \$2 and \$4 per cartridge up to 10 cartridges per month. We then receive quarterly Reward Coupons. We were recently able to apply approximately \$70 in rewards towards the purchase of a Samsung Tab 3. The thought is that if you will give us your empty cartridges to recycle, and we use the reward coupon to purchase tablets. Thank you for your participation in what we think is a win win idea.

50 / 50 DRAWING

We continue to have the drawings each month. We have been putting the funds into the prize pool for Eldorado and will continue to do so.

Congratulations to Nasty Nels and Sour Kraut who each won the draws for \$15 each. Thank you to Nasty Nels for donating his win back to the club. It was appreciated.

ELDORADO MONTHLY SET UP

Currently we have a core group of group of four cowboys to set up the monthly shoots. Due to the aging of the group and other commitments, we feel that we could use one more person to help. The idea is to have someone available to learn the procedures for setting up both monthly and annual shoots and to round out the work level each month.

We set up starting at 10:30 on the Friday before the monthly shoot and we have the process down to two hours and then go to lunch.

The tear down is handled by the same core of people and whatever shooters we can round up after the shoot.

Anyone interested in helping with this monthly chore, please contact Creeker. Your help would be greatly appreciated so thank you for your support and assistance.

NEW ELDORADO COWBOYS WEB PAGE

If you have not yet checked out the new web site, we suggest you take a minute to do so. Creeker did one heck of a job up grading the visuals for the Eldorado Cowboys. We wanted to thank him for all the great work. We could not have done it without him.
