### BEST SHOOT BY A DAM SITE UPDATE

We are within 80 days of the Ninth Annual Best Shoot by a Dam Site and we are currently at 33 registrations.

The stages have been written and are currently undergoing revisions to make this one of the best shoots the Eldorado Cowboys have put on.

The theme for this year is - "THE BEST MOVIE LINES OF ALL TIMES - (THAT DID NOT COME FROM A WESTERN). We hope that you will enjoy the theme as much as we had dreaming it up.

The latest Who Is Coming list will be posted shortly.

Lunch has already been arranged. We are trying a local catering company this year. Fox Smokehouse Bar B Que in Boulder City is an award winning competitor. Some of the Eldorado Cowboys have tasted his food and have approved the choice. We hope you will join us to experience some great pulled pork

The awards are already done. Nothing like getting a jump on a job. In other words, everything in on schedule.

As usual, we will accept your registrations with a "Will Call". We would appreciate knowing if you are coming, so that we can get everything ordered and ready for the event. We just love to avoid last minute work, if at all possible.

Thank you for your support.

### ELDORADO 2015 SASS NEVADA STATE CHAMPIONSHIP

The web site is up and running for Eldorado 2015. We sent the first Email Blast to our master database. We should start receiving registrations shortly. It would really be great if we broke 200 this year.

It is hoped that the "important" shooting events listed below might let some new shooters put us on the circuit.

Hurricane, UT  
9/24 and 9/26

Eldorado SASS Nevada State  
Boulder City, NV  
10/1 thru 10/4

The Reloading Ground Squirrel

We both shoot black powder so we spend many hours casting and reloading so there are numerous tales.

I was spending a long summer afternoon working the press and popping out shotgun shells in the garage.

Our Red Heeler, Dingo, was with me keeping me safe in the garage from all sorts of imagined enemies under the door while I worked the blue monster that hot afternoon.

He got very excited and crawled under the partially open door.

He chased a small animal around my daughter's car and back into the partially open garage door.

For the next three to four hours it was a hunt for the intruder in Dingo's world.

He poked under and behind piles in the garage intent on getting to the intruder all afternoon.

He finally snapped up the squirrel and dropped the quivering animal at my feet so I could dispatch the intruder.

You have to remember that he was The Dingo and kept all the surrounding area safe in his world.

I viewed the small quivering bundle that Dingo had dropped and told him that he was our protector as I let him into the house.

I then dropped the small squirrel

outside and it scampered away to his home across the street.

Since then he is my constant reloading companion keeping view under the garage door for all threats to his home.

**REQUEST FOR ASSISTANCE**

In the past years, the Barn Sale has been a good income source thanks to the kindness of our members. We would like to continue it for Dam Site and Eldorado so we have a plan.

If you have any gently used Cowboy stuff hanging out in the back of your closet or on the work bench and would like to donate to the Cowboys for the project, please bring pack them up and bring them to the monthly shoots.

We have developed a PLAN. You have a choice for your donations.

1. You can just donate items and we will put them in the Barn Sales and all proceeds go to the Eldorado Cowboys.
2. You can donate and request "Sell and Share". We request that you attach a tag on those items showing what you want for the item and list your Alias. You would decide how much of the sale you will share with the Eldorado Cowboys.

3. You just want to sell the item. We request that you attach a tag on those items showing what you want for the item and list your Alias.

After the shoot, we will divide the tags and the money and settle up with you.

Thank you for your support and participation in the Barn Sales. Last year we realized \$420 from the two sales.

**CLEAN SHOOT WINNERS**

Congratulations to our 2014 Clean Shoot Winners -

Just Ace	13
Blazin' Betsy	8

That is keeping it in the family. Good job everyone.

So far this year, Just Ace and Quickly Downunder stand at two clean shoots each. On the cowgirl side, Curly Sue, Dixie Bell and Nevada Skye stand at one clean shoot each. Good luck everyone.

We have had eight Dang Its in two months. Those pesky things just seem to come out of nowhere.

**50 / 50 DRAWINGS**

The club made \$312 in the 2014 calendar year from the 50/50. We will continue the drawings as long as there is participation. Thank you. It is appreciated

**INK CARTRIDGE  
RECYCLING**

The recycling of cartridges netted the club \$216.00. CY 2014. Thank you for your continued support of this project. We also received \$94.50 on the club rewards card. Every little bit helps.

**THIS AND THAT**

We have submitted our request for the 2016 SASS Nevada State Championship. We should get our certification in May, 2015.

We were able to purchase a sheet of steel in January and had it cut into 24x24 targets. Some of you have had the privilege to shoot at them. Trust us when we say that no target is too big or too close to miss. We certainly have proved it.

We were also able to secure five pieces of AR500 steel silhouette targets and a wig wag. JD has been busy building hanging options for the hangers. Everyone is putting their heads together on how we will utilize the wig wag. Stay tuned.

Last year we were also able to secure a number of façade frames. We are experimenting with a way to cover the frames and pins to secure them. As soon as we get this done, we may - maybe - have a façade at a monthly shoot.

There is also a rumor of a new pistol moving target in the works. This one is strictly a rumor as of now. Another thing to stay tuned for.

Giving money and power to government is like giving whiskey and car keys to teenage boys.

**DON'T YOU JUST LOVE FILLERS?**

Jerry asked Earl, "At your ripe age, what do you prefer to get - Parkinson's or Alzheimer's?"

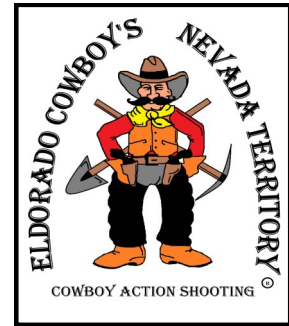

The wise one answered, "Definitely Parkinson's. Better to spill half an ounce of Jack Daniels, than to forget where you keep the bottle!!"

Isn't that the truth!

I'm passing this on because it worked for me today. A Dr. on TV said in order to have inner peace, we should finish things we started and we all could use more calm in our lives. I looked around my house to find things I'd started and hadn't finished.

Today I finished off a bottle of Merlot, a bottle of Chardonnay, a bodle of Baileys, a butle of wum, the mainder of Valiuminun scriptins, an a box a chocletz. Yu haf no idr how fablus I feel rite now. Sned this to all who need inner piss. An telum u luvum----
