DESK OF THE PRESIDENT

The events calendar is a sneaky thing.

First time you look at it, the next event is MONTHS away and we have all the time in the world to get ready.

Next thing you know – it is two weeks to go and you are scrambling to ensure every list is completed and every task checked off.

The stages were written... Rewritten... Revised... Corrected... Discarded... Written again... ~~Proff read~~... Proof read again... Shooters books printed.

The awards completed.

The lunches ordered.

Yup, We are ready.

The Best Shoot by a Dam Site 2014 is ready.

Shooters from around the country are all preparing their gear, guns and mindsets to make the trek to Boulder City and enjoy the fun and camaraderie that a great shoot offers.

The Eldorado Cowboys look forward to seeing you on the range May 3rd & 4th.

DAM SITE SET UP

Set up for Dam Site will start at 10:30 on Friday, May 2, 2014. Since we are setting up five bays, we could use some help. There will be things that those with health issues could assist with. There are targets to be painted, light props to be put out, shotgun target ropes to attach, etc. If you can be of any help, please advise so we have some idea of how many helpers we will have. Send an email to ECowboys02@aol.com and we will keep a list. Thanks for all the help you can render.

ELDORADO 2014

The first mailing has been sent to our master database list and the registrations are starting to arrive. We are currently have 25 registered shooters.

As in the past, we will keep a "Pony List" (the check is in the mail). If you

will be coming, just give us a note and we will look forward to your registration.

Creeker has already been in contact with JD with his "is it possible to....." questions. This Eldorado is starting out to be one of our best. Hope you will be able to make it.

BRPC BUZZ

There has been a lot of activity at the Gun Club this past month. The 200 yard bay is done, the berms have been raised to 18'. The second gate has been arranged for and they are waiting for the permits to get the job finished.

There is another issue with the I-II bypass. It has to do with asbestos this time. They are running tests.

NEW ELDORADO COWBOYS

We have signed two new Eldorado Cowboys in March, 2014.

Shootist

Beaver

Welcome to the Eldorado Cowboys. We look forward to shooting with you and hope you have a great time with us.

50/50 DRAWING

Thank you everyone who participate in the 50/50 drawings each month. We will be having the drawing at Dam Site, so come prepared, if you want to play.

Congratulations to Nevada Skye and Corvette Kid for winning on Saturday and Sunday respectively at the April shoot.

INK CARTRIDGE RECYCLING

This fund raiser is working well. We maxed out the 20 cartridges for the 30 days of February March. Thank you for continuing to supply us with those empty cartridges.

CLEAN SHOOT WINNERS

Congratulations to our cleans shooters for the April Shoot. Charming and Just Ace have both achieved four clean shoots through April, 2014. Good job everyone.

OFF TARGET

I received a phone call a week or so back; my phones screen displaying an out of state area code and phone number. Since it didn't look like a bill collector or any Federal agency (those I always let go to voicemail); I answered the phone.

"This is Dan".

A slight pause on the other end of the line was followed by "I'm sorry. Is this Creeker?"

"Ah, a fellow cowboy shooter. Yeah, this is Creeker. How can I help you?"

A shooter that had never before attended an Eldorado Cowboys event would be passing thru Las Vegas on his way to California before returning to shoot Dam Site. He mentioned that where he was going was not equipped to secure his firearms and did I know of someplace locally that he could store his guns. I mentioned that I had done it for others and offered up my gun safe. He accepted and said he would call me when he got into town.

Saturday when my phone rang, I recognized it as the out of state shooter and answered with a "This is Creeker".

"Creeker, I'm here in Vegas".

I arranged a time and place to meet up with the shooter and pickup his guns from him.

Just like that. A man who had never met me before handed me several thousand dollars worth of his guns. He didn't ask for a copy of my drivers' license or for a receipt; he simply said "Don't need it". You're a cowboy shooter and that's good enough for me".

Isn't that incredible?

Now I love playing this game - I love the shooting - I love the competition.

But to be accepted within a group that exhibits that level of faith in one another; an utter trust between folks that have never met or maybe, never even spoken to each other before?

To be willing to hand a complete stranger your precious items with nothing more than

a handshake and "You're a Cowboy shooter and that's good enough for me"?

That is why I am proud to be part of the Cowboy Action Shooting family.

REQUEST FROM CREEKER

As you may be aware, or not, Creeker has started putting videos on the website.

Last month he asked for any videos you may have that can be used in these videos.

Quickly Downunder has shared some video with us. We can still use more. Thank you for anything you can supply to help with this endeavor.

DO YOU RECOGNIZE

We have a couple of photos again this month. Do you think you can identify these two cuties.

We will let you know who they are next month.

If you want to stump your fellow shooters, please feel free to send us some photos.

Good luck

BIG ELDORADO COWBOY THANK YOU

We sincerely thank everyone who gave us a hand with the tear down on Sunday. Many hands made easy work of tearing down, putting away and sweeping up the wads and burying the davits. Thank you so much for the helping hands. It is appreciated.

WORN AMERICAN FLAGS

While cleaning up recently, we discovered a worn American flag that had been forgotten. It occurred to us that others might also have a flag that is in need of retirement with honors. If you have one, bring it along to Dam Site. We will take it and arrange to have them properly retired. Thank you.

JUST FOR GIGGLES

LOVE.....has no boundaries.

An elderly couple had just learned how to send text messages on their cell phones. The wife was a romantic type and the husband was more of a no nonsense guy.

One afternoon the wife went out to meet a friend for coffee. She decided to send her husband a romantic text message and she wrote: "If you are sleeping, send me your dreams. If you are laughing, send me your smile. If you are eating, send me a bite. If you are drinking, send me a sip. If you are crying, send me your tears. I love you".

The husband texted back to her: "I'm on the toilet. Please advise."
