ELDORADO RAMBLINGS

Well, here it is already January 22, 2013. The month has gone very quickly and we cannot see it slowing down anytime soon.

We trust that everyone had a great holiday with family and friends and that everyone has hit the ground running in the new year.

JANUARY SHOOT

The January shoot got us off to a nice beginning for the new year. We had a total of 69 shooters over the two days.

The stages were a lot of fun. Lightnin' Buck was very impressed with our itty bitty targets. As the old saying goes, no target is too big or too close to miss. That is proven out by looking at the scores posted on the web site.

FEBRUARY SHOOT

The February shoot will be on February 2 and 3, 2013. The side matches will be available at 7:30. We will try to start the main match as close to 9:00 as possible.

The stages this month are written by Philly Slim under the stewardship of Creeker and JD. They look like they will be fun. We will bring the rope just in case.

We hope you all can come out and have a good time with us.

BEST SHOOT BY A DAM SITE

The particulars are posted on the web regarding the Best Shoot by a Damn Site. As a matter of fact, we currently have 18 commitments from cowboys and cowgirls.

The shooter book is in its initial read through and as usual the stages look like a lot of fun.

We will have the Silent Auction again this year. All of the funds derived from this auction go into the pool for the purchase of various items for the door prizes at Eldorado. If you have anything that you would like to donate please get with Charming. Your usual fine cooperation and support is appreciate it.

"STAGE WRITING INVITATION" ELDORADO CANYON GAZETTE

Have you ever yearned to be a stage writer?

As part of our ongoing efforts to involve additional shooters in more aspects of the cowboy shooting experience, we are announcing The Eldorado Cowboys Stage Writing invitation.

This invite is for anybody interested in the Eldorado methodology regarding how a stage is put together.

From shooters who simply want to understand the basics of good stage design and target placement, all the way to folks that have the desire to create complete stages or matches.

We will walk you through the entire stage writing process – explaining the reasons for steel placement and distance to creating and critiquing shooting sequences. We will discuss what makes a stage flow smoothly and the importance of time management when dealing with multiple stages.

This will be an ongoing online process and discussion involving the emailed exchange of stage designs and graphics.

Interested cowboys and cowgirls should forward their names and emails to Creeker.

BRPC MEMBERSHIP RENEWAL

Just a reminder that your Boulder Rifle and Pistol Club membership renewal was due by January 1, 2013. They do not send a renewal form. If the information on file with BRPC is current, all you need to do is make out your check for \$75 AND mark renewal on it. Send it to

BRPC
PO Box 60534
Boulder City, NV 89006

The locks were changed January 1 and your old code will not work. We would hate for you to drive all the way out to BRPC for some practice and find that you could not get in. Thank you for your attention to this matter.

THANK YOU

We want to thank Dan Diamond for the contribution to Eldorado Cowboys of the knock down target. We appreciate his generosity and look forward trying it out.

PHOTO OF THE MONTH

We had the honor of having Eureka Kid's nephew Sean Randall, AKA Commando Cowboy shoot with us in January. He was on temporary duty at Nellis and came out to shoot with us and his Uncle both days. From the smile on his face, we just have to assume that he had a great time.

It was great shooting with you Commando Cowboy. We all thank you for your service to this great country. When you're in town again, please come out and shoot with us. We'd love having you.

50 / 50 DRAWING

As promised, we brought the 50/50 drawing back again in January. Congratulations Corvette Kid for splitting the Saturday pot and taking home \$25.00 and Contrail for splitting the Sunday pot and taking home \$23.00.

Thank you for your support in these drawings. We will put the money to good use.

THANK YOU AGAIN

We would like to thank everyone who helped clean up, pack up, and clean up the wads after the Sunday shoot. Your help is appreciated. We want to leave the bays in as good condition if not better than we got them. The Gun Club is good to us and we want to show our appreciation and your help goes a long way in getting it done. Thank you.

ADVISORY BOARD MEMBERS

The board is still working on the particulars regarding the Advisory Board members and volunteer assignments. It will be on the agenda at the February Board meeting.

NRA RSO CERTIFIED RANGE OFFICERS

Thank you everyone who responded with either of their current Range Officer Certification dates or who signed up for this training.

For those of you who still might be interested and have not gotten with us, you need to have an NRA RSO Certification if you wish to put on or assist with putting on shoots at BRPC.

The cost is \$26.00 and a current NRA membership. There is a class scheduled March 9, 2013. It takes about a full day of classroom training at the range.

We are maintaining a list. If you wish to participate, please let us know and we will get you on the list. Thank you.

COLUMNS

Due to the time constraints of two of our regular monthly contributors, Off Target with Creeker and the Territorial Governor column by Rattler John, are not being run again this month. They promise to have columns for us for the February Eldorado Gazette.
