Well the weather has not been good to us. But there were some really tuff cowboys and cowgirls that weathered the storm and Shot. Thank you to all the cowboys that made the trail from Utah to shoot with us.

WHATS BEEN HAPPENING

We purchased a First Aid Kit that is located in the monthly conex box.

We also purchased radios for use at Best Shoot By A Dam Site and Eldorado SASS Nevada State Championship Shoot.

We also received from SASS that we have the 2020 SASS Nevada State Championship.

JUST A REMINDER

We are still recycling ink cartridges. Last year your kind donations covered a lot of printing and ink supplies. Thank you all very much.

SPECIAL THANK YOU

We would like to thank all the cowboys and cowgirls that help set up and stick around and help with the tear down. It is greatly appreciated.

Just Having Fun

We have several cowboys and cowgirls that have traveled to shoot Fire and Ice. They seem to have had a good time.

Now on to Winter Range. Good Luck and bring home the gold !

Best Shoot by a Dam Site is filling up quickly. I would hate to see some of our local cowboys/cowgirls standing around and not shooting in May because they didn't get their registration in quickly enough.

www.eldoradocowboys.com and click on the menu tab for Dam Site.

There will be some test stages for Dam Site set up in the March monthly shoot. I understand a hotel from the border has been imported. The Hotel Cucaracha. I also understand that a few tag a longs have come along with the hotel and will have to be exterminated by gunfire. (They are BIG cucarachas)

Also an arcade is being set up and every winner gets a piece of Ace of Hearts Spectacularly sexy salt water taffy.

See ya on the range.
