Here we are into a new year and planning for some fun this this year. We hope that everyone's holidays were good.

BEST SHOOT BY A DAM SITE 2021

We are now gearing up for the Fifteenth Annual Best Shoot By a Dam Site 2021.

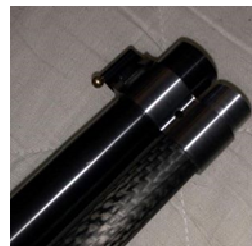

Stages are in progress and stay tuned for the fun that is going to happening this year. The registration form is on the website, so let us hear from you! As you know we are limited to the first 100 shooters.

MODIFICATION APPLICATION APPROVED—2020

18 FEB 2020

MOD: Replacement of original metal magazine tube with on made of carbon fiber.

Purpose: If the magazine tube receives a blow front the outside, it cannot dent.

17 SEP 2020

MOD: Replacement of 1873 loading gate with a 1866 type

Purpose: Rounds are easier to load into the magazine “and specially ladies don’t break their fingernails anymore.

11 NOV 2020

MOD: Installation of an internally—adjustable set screw on the carrier of 1873 lever.

Purpose: Easier to adjust the timing of the broke-in, worn changed parts, etc. Than spot-welding metal to the surface where material is needed (which is current practice) Negates the need for welding equipment to make the necessary adjustments.

09 DEC 2020

MOD: Replacement of slotted magazine tube end cap on 1866 & 1873 rifle with a

Knurled “tool-less” version.

Purpose: Easy to remove at unloading table in case rounds have to be removed from tube; no tools needed; and the shooter avoids hand being in front of the muzzle in case a live round is still in the chamber

JUST A REMINDER

We are still recycling ink cartridges. Thank you to all that are bringing them in. It helps with printing and supplies.

PRAYER POSSE

Sending prayers to all the cowboys and cowgirls, friends and family that might be in need of a special prayer at this time.

SPECIAL THANKS

To all the cowboys and cowgirls that come early each month to help with set up and those that stay and help tear down and put away. This is greatly appreciated.
