### LETTER FROM THE PRESIDENT

First I would like to say thanks to everyone who helped support us with Eldorado this year. I picked many brains and learned a lot in a very short time. Although it was not perfect, I felt it was a **GREAT** match. We learned, we took notes and then we move on.

We are putting together some fun things to do in the next few months, we hope everyone will join in with us, like the Iron cowboy challenge in November and a Holiday party in December. We will also be finishing up the club championship "Magnificent 7" in December and will try to get a few more night shoots in before the year is out.

I hope to see everyone out enjoying the fun with us.

See you all out on the range
